ADJOURN

PRESIDENTS MESSAGE:

PRESIDENTS MESSAGE:

The ride has begun. The gavel has been officially handed over and I am honored to have this privilege bestowed upon me, with many thanks going out to the nominating committee and board members. The calendar dates spring, however, out my window, still stands a 4 foot tall snow bank next to a thermometer reading 28 degrees. Mother nature has different ideas. It seems a good while since the gavel exchange and March Madness is upon us. I hope your pool picks are doing well and you're enjoying the ride.

The Surveyors Institute this past January was a success. The attendance was down slightly from 2012, but in my opinion, the program quality was up. I don't know about you, but I had a hard time selecting which program to attend as there were so many quality choices. Thank you fellow Spin Doctors for your participation in Bucky's Challenge. A good time was had by all. As we all know, the revisions to AE-7 has caused a wave of contention among WSLs members. An ad hoc committee was formed with representation from each chapter, and a meeting took place in Wausau on January 22nd. My first initiative as president, was finding a NE Chapter representative. It turned out not to be much of a challenge as my first choice, stepped right up to the plate. On behalf of the NE Chapter, I would like to thank Jeff DeZeeuw for taking this on. At our last board meeting in February, the lack of sustaining members was a hot topic. A short online survey was recently sent out by Tom Leslie to all members pertaining to suppliers. Please take the time to complete and submit this survey. National Surveyors Week was held March 17th to March 23rd. With the support of Lisa Van Horn, providing the museum pieces, and Aaron Ballast, our great Public Relations organizer, the NE Chapter reached out by having a booth at the Manitowoc Home Builders show on the weekend of the 23rd. Thank you Lisa, Aaron, Brad, Phil, Jeff, Larry, Jim, Avery, and April for volunteering.

Our presenter at our spring meeting will be John Ellingson, of NOAA's National Geodetic Survey, who serves as the WI State Geodetic Advisor. He will educate us on DS World, which is a free program that works with Google Maps to map the location of NGS points. John will also update us on NGS Geoid 12A. Thank you, Terry Van Hout, for setting up this presentation. We are always looking for new ideas or suggestions on interesting subject matter or good speakers for future meetings. Please share any ideas that you might have.

I look forward to seeing a majority of you at our spring meeting in Howards Grove. Bring on the warm weather. We are long overdue.

Tony Lulloff
Chapter President

2013 - 2014 LEGISLATURE

LRB-1165/1
FFK:kjf&jld:jf

2013 BILL

1 **AN ACT to create** 710.13 of the statutes; **relating to:** notice of an instrument that
2 proposes to change a property line.

Analysis by the Legislative Reference Bureau

Under current law, a register of deeds is required to record documents related to real property if the documents satisfy certain requirements. Under this bill, if a person intends to record a document that proposes to alter a property line based on a survey or other professional services provided by a licensed land surveyor, the person must provide written notice to each person who owns property that is adjacent to the existing or proposed property line, including a copy of the document and any attachments, at least 30 days before the person submits the document for recording. The bill provides that the person may submit the document for recording earlier than 30 days after providing written notice to the adjacent property owners if the person obtains written waivers of the time period from each adjacent property owner. Under the bill, a register of deeds is not required to record a document that proposes to change a property line based on a survey or other professional services provided by a licensed land surveyor unless notice is provided to adjacent property owners as required under the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 710.13 of the statutes is created to read:

2013 – 2014 Legislature

– 2 –

LRB-1165/1
FFK:kjf&jld:jf**BILL****SECTION 1**

1 **710.13 Notice of property line change.** (1) If a person intends to record or
2 file in the office of the register of deeds of a county a document that proposes to change
3 a property line based on professional services provided by a registered land surveyor,
4 the person shall provide written notice of the proposed change, including a copy of
5 the document the person intends to record and any attachments, to each property
6 owner who owns property that abuts the existing or proposed property line no later
7 than 30 days before the date the person records or files the document. A person may
8 record or file the document sooner than 30 days after providing the required notice
9 if each property owner entitled to receive notice under this subsection waives the
10 30-day time period in writing.

11 (2) (a) Notwithstanding ss. 706.05 and 706.085, a document described in sub.
12 (1) is not entitled to record in an office of the register of deeds unless notice is provided
13 in accordance with sub. (1).

14 (b) A document under par. (a) shall include a signed affidavit of the person
15 recording or filing the document that he or she provided the notice required under
16 this section, or, if the notice was waived, the signed waivers shall be attached to the
17 document for recording or filing.

SECTION 2. Initial applicability.

18 (1) The treatment of section 710.13 (2) of the statutes first applies to a
19 document submitted for recording or filing in an office of the register of deeds of a
20 county on the 31st day after publication.

Northeast Wisconsin Chapter of WSLs

2013 WINTER BOARD OF DIRECTORS MEETING

February 20, 2013 – Suster's in Denmark, WI

There were 7 members present when President Tony Lulloff called the meeting to order at 6:55 pm

A motion was **made, seconded and approved** to accept the Board Meeting minutes of November 8, 2012

Treasurer's Report was accepted as presented

The following reports were given: (*via email)

NEWSLETTER EDITOR REPORT (Steve Bieda)*

- Everything is running smoothly
- Next newsletter will include a request for people to submit survey-related articles (with author's approval) and pictures for possible publication

WSLS REPORT (Rick VanGoethem)*

- Next Board meeting is March 16
- AE-7 revision committee will be reporting on the results of their meetings and the feedback they received. An email will be sent to the general membership sometime soon

AUDITING (Anthony Lulloff)

- 2012 auditing report was accepted and approved (with changes to a few dates on the report)

CST (Aaron Ballast)*

- Fox Valley Technical College has a survey related program (Natural Resources program) – perhaps we should send them CST information?
- WSLs Outreach program will help out with the associated costs of our CST program, as well as other programs or events. The goal is to achieve improved public relations for surveying and surveyors by subsidizing the associated costs for any Chapter. Tom L will check it out and report

ETHICS AND PRACTICE (Tom Leslie)

- No complaints were received since last meeting

LAND RECORDS (Ryan Duckart)

- No further updates on redaction fees since last general meeting – should be soon

LEGISLATIVE (Ed Harvey)*

- No report at this time

MEMBERSHIP (Bob Reider)

- Sending another "Free Membership" mailing was discussed. The last (and only) one sent last year netted 3 new members... no new mailing for now
- Tom L will send out a Survey Monkey asking the membership who they use for their surveying supplies. A company list from that survey will possibly be used for a sustaining member mailing in the near future
- There are **103** paid members as of this meeting
 - 58 Professional
 - 8 Affiliate
 - 20 Students
 - 3 Sustaining
 - 14 Lifetime

NOMINATING (Gary Zahringer)*

- Paul Nordwig was welcomed to his first Board meeting with the NE chapter
- Rick V recently agreed to serve two more years as Chapter Representative to WSLs

PROGRAM (Jeff DeZeeuw)

- Presentation and speaker are set for April's Spring general meeting - John Ellington from NGS
- *6pm will be the new meal time for the chapter's Winter General Meetings, starting in January 2014*
- Future topics?? LOMR -with fill, setbacks and compaction requirements were mentioned. Perhaps Seiler for presentation at the Summer General meeting in July discussing the new utility locator?

PUBLIC RELATIONS (Aaron Ballast)*

- WSLs Chapter banner has been received by Rick V. Kevin Slotke at WSLs Outreach Committee stated that the banner would be of no charge to the Chapter
- National Surveyors Week is March 16-23, 2013. Does the Chapter set up at Gander Mountain like last year OR do we try something different? Les & Lisa should be involved as they have the equipment, pictures, etc. for set-up used at previous displays... and they know what to do better than any of us. Aaron will contact Les & Lisa V, as well as check out the local home shows. He will send out an email to the membership for comments, and volunteers

SCHOLARSHIP (Jim Schloff)*

- Should scholarships be handed out at the beginning of the meeting? As previously noted, the meeting is being moved to a new start time of 6pm meal, so the Board believes this should alleviate the problem

Meeting minutes continued on page 18.....

SEMINAR (Terry Van Hout)*

- Bob Ross is set to present both parts of our Spring seminar on March 22, 2013 at Rock Gardens in Green Bay. A scan of the two power point presentations will be sent out to the Board and committee chairs for comments and approval
- John Matonich will be asked to present at our 2014 Spring seminar. He has a very full schedule so the sooner we book him, the better. Terry V will contact John and see what dates he has available and will pick a date in March 2014
- Tom L will forward copy of the 2011 seminar flier to be revised by Jeff D. He will send out for group approval. Once approved, Board members will need to get this flier out to the masses as quickly as possible. Organizations were discussed and who's the contact – the more places it's sent the more people we get to attend

STUDENT REPRESENTATIVE (Jeff Merten)*

- No report at this time

TRIG*STAR COMMITTEE (Jim Westerman)*

- No report at this time

OLD BUSINESS

- The chapter website should be updated as of this meeting. Thank you Scott
- Shawano County Surveyor job application has been posted online
- Bucky's Challenge was fun – NE Chapter won the Best Costume – congratulations doctors!!

NEW BUSINESS

- National Surveyors Museum in Springfield has closed its doors
- Are the adopted WSLs Strategic Planning results available online? Vision statement?
- 2013 Chapter budget was presented. If the spring seminar does well, the chapter would possibly donate \$1500 to the Foundation in 2014
- Do future plans have a permanent location for WSLs? It was discussed at the Strategic Planning meeting but no real plans were made
- Waverly Beach is nixed as a venue for a chapter meeting. Bob R will find a replacement
- Lighthouse Inn is out as a venue as well. Fox Banquets has always been a favorite of chapter members. Tom L will contact
- Fall Board meeting, originally set for November 14 will be moved to November 7
- AE-7 proposed revisions were emailed to chapter members for comments. Jeff reported on the comments received. He will pass the collected comments to the committee at the upcoming meeting this Friday in Rothschild. A final draft will be distributed to WSLs members soon after

- How do other Chapter's membership fees compare to NE Chapter? Tom L will find out and report at next meeting
- Tom L will forward any and all WSLs emails received in the last few months to all Chapter members (AE-7, Surveyors Week, volunteer opportunities, etc) as quickly as possible
- How many chapter members are also WSLs members? Should we add "What other organizations do you belong to?" to the Chapter membership application?

Being no further business *a motion was made, seconded and approved* to adjourn at 9:22 PM

Respectively submitted,

Tom Leslie

Océ ColorWave 300

Worlds first large format, single footprint system for color and B&W printing, copying and scanning.

Five key savings with this large format multifunction printer.

- Save floor space with one compact large format multi-function printer for all color and black & white tasks.
- Eliminates waste and faulty copies. Océ Image Logic technology ensures first-time-right results for wide format color scanning and copying.
- No need to haul plans around, print directly from or scan to a USB stick.
- No messing around with different file types. Print the most popular file formats directly: HPGL/2, DWF, JPEG, PDF and many more.
- Ensure long-term accessibility of digital archived documents with scan to PDF.

2013 WINTER GENERAL MEETING MINUTES

January 10, 2013 – Graystone Ale House in Ledgeview, WI

The 2013 Winter General Meeting was held on January 10, 2013 at Graystone Ale House in Ledgeview, WI. There were 72 members present, including 6 students, when Chapter President Jeff DeZeeuw introduced:

Special Presentation

Craig Williams, a technical representative from Trimble, gave a presentation on Trimble's latest tools, equipment and programming advances in the field of laser scanning. As the use of laser scanning becomes more prominent in the surveying industry, chapter members had the opportunity to ask Trimble any questions they had, such as how will this new process help their businesses? How difficult is the learning curve for processing the information? Craig also discussed Trimble's newest product, the R10, one of the smallest and lightest receivers on the market. The R10 has base station or rover capabilities, along with available smart phone configuration

President DeZeeuw thanked Mr. Williams for his informative presentation. He then called the General Meeting to order at 9:22 pm

A motion was made, seconded and approved to accept the General Meeting minutes of October 11, 2012

A motion was made, seconded and approved to accept the Treasurer's Report as presented in the January 2013 Newsletter

The following reports were given:

Newsletter: Editor's Report (Steve Bieda)

- If you read a good surveying article that should be shared with the membership, please contact Steve Bieda. He may be able to include it in the next newsletter

WSLS Report (Rick VanGoethem)

- The last Board meeting was December 8, 2012 at the Kalahari in Wisconsin Dells
- Chapters will be encouraged to enter a team in Bucky's Challenge

- Bob Welch, former State Senator, will be the new Lobbyist for WSLs
- Election of new officers will be held at the WSLs Board meeting on Thursday, January 24, 2013
- More support is needed for Outreach programs – getting members involved is the key to a successful program
- CST Level 1 testing will be held at NWTC in Green Bay on March 6, 2013 increase for 2013. There is room for up to 8 more if anyone else is interested
- Three new awards will be given out this year by WSLs:
- Tom L will forward the Light Squared article to the membership
- Jeff DeZeeuw and Terry Van Hout will represent the NE Chapter at the upcoming Strategic Planning meeting Lisa Van Horn will also be there (NSPS)

Auditing Committee (Tony Lulloff)

- 2012 packet has been received by the committee from the Chapter treasurer

CST Committee (Troy Hewitt)

- One person has signed up so far for the Institute CST test

Ethics and Practices (Tom Leslie)

- No forms have been received or sent

Land Records (Ryan Duckart)

- On December 13, 2012 representatives from the Wisconsin Land Information Officers Network (LION), Wisconsin Register of Deeds Association (WRDA), Wisconsin Realtors Association (WRA), Wisconsin Counties Association (WCA) and Wisconsin Land Information Association (WLIA) met to discuss a continued collection of \$5 for the Social Security Transaction fee, which is due to sunset on January 1, 2015. Representative of all the groups believed that the continued collection of this fee should remain in the Wisconsin Land Information Program for the purpose of advancing

land record modernization for benefit of all in the state

- Originally the \$5 Redaction Fee was used to protect sensitive information by making it non-reviewable or accessible on the internet. The proposal would be to keep the fee and use the money to improve the Public Land Surveying System (PLSS) by digitizing land record documents housed at the Register of Deeds Office and make them available online. A couple counties have already dropped this fee while most are still using the fee. Though the proposal is preliminary at this point, we want to make surveyors aware and ask for the support of the surveyors if this goes to legislation. Jim Wallen has some copies of the preliminary proposal if anyone is interested or has questions

Legislative (Ed Harvey)

- The Modernization Bill will be revised and re-introduced in the next Legislative session, with hopefully better results

Membership (Scott Van Calster)

- Membership counts as of December 31, 2012
 - 71 - Professional
 - 4 - Affiliate
 - 17 - Student
 - 4 - Sustaining
 - 14 - Lifetime
 - 110 Total

Nominating Committee (Gary Zahringer)

- Paul Nordwig has agreed to serve as the 2013 Director. Congratulations!
- If any member is interested, volunteers are being sought to run for 2013 WSLS At Large Director at the upcoming Institute. Anyone can run, and it's a great way to get involved at the state level

Program Committee (NEC Board)

- Thank you again to Craig Williams from Trimble for his presentation... and to Terry Van Hout and Seiler for scheduling Craig
- A presenter for the Spring General meeting in April has been set. John Ellington from NGS will update members on NGS data sheets and other changes

Public Relations (Aaron Ballast)

- Surveyor's Week is coming up March 17-23, 2013 – Anyone have any ideas??

Scholarship Committee (Jim Sehloff)

- 2013 Scholarship winners were introduced to the membership:

Kelly Schwister

Don Rhode Memorial Scholarship

Cara Gable

Northeast Chapter Scholarship

Congratulations!!

Seminar Committee (Scott De Baker)

- Seminar has been set for March 22. Bob Ross is scheduled so far. Volunteers are needed to get this thing rolling. The date is coming up soon and many things need to be done

Student Representative (Sam Malone)

- Students are anxiously waiting to attend the upcoming Surveyors Institute
- Students introduced themselves to the rest of the membership

Trig Star (Jim Westerman)

- WDP is on board – any other schools?

Old Business

- WSLS Strategic Planning meeting results are available in the latest WPS and also online. Increased public relations and more awareness were key discussion points. It was a very good meeting, with a positive exchange of ideas and thoughts – very productive overall

New Business

- Committee sign-up sheets are now available. Please volunteer if you can – get involved!
- Bucky's Challenge – the Chapter will again sponsor a team at this year's Institute. An email will be sent to members asking for team volunteers – enjoy the fun!!
- A Shawano County surveyor update was given. As of January 7, 2013, the Van Horns will no longer be the Shawano County Surveyor. Further County Board & committee meetings will be held to see what, if anything, will be done to rectify the problem
- The Chapter will again donate \$1000 to the WSLS Foundation in 2013
- Should the Chapter send a letter to Shawano County in support of continuing the actions and direction taken so far in the County Surveyor position? We do not want to come

Meeting minutes continued from page 24

out in support a particular member, so more of a general "in the right direction" statement. Individuals can show their support of the Van Horns' by sending a letter/email to the Shawano County Clerk

- ELECTIONS OF 2013 CHAPTER BOARD were held, with open nominations and nominations from the floor taken, and with the following results being accepted and approved by the General Membership:

Tom Leslie – Secretary/Treasurer

Paul Nordwig – Director

- Jeff De Zeeuw presented the President's gavel to incoming 2013 Chapter President Anthony Lulloff. Tony thanked Jeff for his year of service as President and presented him with a Past President's plaque
- Tony again mentioned Committee sign-up sheets are available for all to sign (Tony will buy Ryan a bag of baby diapers if he continues on as Land Records Chair – Ryan needs baby diapers)

Chapter Free Meal: Mike Vande Hei

Being no further business, *a motion was made, seconded and approved* to adjourn at 10:14 pm.

Respectively Submitted,

Thomas Leslie
Secretary/Treasurer
