

R E C O R D E D A S . . .

The Northeast Wisconsin Chapter of the Wisconsin Society of Land Surveyors

CHAPTER MEETING

Thursday

July 9th, 2015,

Wrightstown, WI

See Page 7

*Mystery Program
You will have to
come and see for
yourself!*

NOTE: This is our annual Golf Outing & Trap Shoot but there will NOT be a trap shooting this year. Sorry trap shooters! However, we do need a new High Score in Golf so come join the golfers!

PRESIDENTS MESSAGE:

Greetings Fellow Surveyors:

Where does the time go? I cannot believe that it is time for the summer meeting already. As summer progresses I hope that everybody's work load is steady. There are many signs that our economy is on some stable ground and construction is on the rise. This should be a good thing for all involved.

This year's golf event will be on July 9th and once again will be at Royal St. Patrick's in Wrightstown. This year there is a change in the Trap shoot, in which I am sorry to say that due to the small numbers involved, area ranges are just not willing to accommodate. If anyone has some other suggestions contact myself or Tom. With that being said contact Tom Leslie, tlestie63@hotmail.com 920-448-4495 or Rob Harris, rharris@harrisinc.com 920-733-8377 for tee times. I have been told that this course is very nice and a challenge to play.

I would like to thank John Casucci for his presentation on "A road vacation in the Village of Pewaukee" at the spring meeting. I'm sure that we all will run into this at some point in our career and some insight as how others handle things are always helpful. Jeff DeZeeuw is currently working on a Concealed Carry presentation by the Outagamie County Sheriff's Department. This may or may not happen due to a court case, but should make for an insightful topic. If anyone has something that they feel would be an interesting topic for an upcoming meeting please contact myself or Jeff DeZeeuw.

I look forward to seeing you at the upcoming meeting.

Thank you.

Paul Nordwig
Chapter President

2015 Northeast Wisconsin Chapter of WSLs MEMBERSHIP APPLICATION

Name: _____ Registration Number: _____

Mailing Address: _____

Place of Work: _____ Work Phone: _____ Cell: _____

Email: _____ OK to Publish? Yes _____ No _____

Signature: _____ Date: _____

MEMBERSHIP DUES

- () **Professional Member** \$40.00 Any person currently registered as a Land Surveyor in the State of Wisconsin
- () **Affiliate Member** \$20.00 Any person not registered, who is interested in land surveying
- () **Life Member** No dues Any person having reached the age of 65, retired from practice, having been a member for two years prior to the date of retirement, having been recommended by a member and application approved by the Board of Directors
- () **Student Member** \$10.00 Any person currently enrolled in a surveying curriculum
- () **Sustaining Member**
 - \$80.00 _____ Membership includes a display of their business card in Quarterly newsletter and on website
 - \$120.00 _____ Membership includes a **full** page ad and display of their business card in quarterly newsletter

Northeast Wisconsin Chapter of WSLs

2015 SPRING BOARD OF DIRECTORS MEETING

May 14, 2015 – Mackinaws in Green Bay, WI

There were 8 members present when President Paul Nordwig called the meeting to order at 7:08 pm

A motion was **made, seconded and approved** to accept the Board Meeting minutes of February 12, 2015

Treasurer's Report was accepted as presented with updated report for meeting. All accounts are good

The following reports were given: (*via email)

NEWSLETTER EDITOR REPORT (Steve Bieda)*

- No report at this time

WSLS REPORT (Rick VanGoethem)

- Next Board meeting is this Saturday, May 16
- The Board has authorized the Education Committee to proceed with an online survey to obtain membership opinion on the possibility of the State of Wisconsin requiring a 4 year degree to be a licensed surveyor. The survey should be sent out sometime in the fall
- MTU is having a fall seminar on UAV's – more information can be found on MTU website
- WSLs Summer Meeting is at Devil's Head near the Dells from July 31-August 1

NSPSREPORT (Lisa Van Horn)*

- No report at this time

AUDITING (Anthony Luloff/Brad Nelson)*

- 2014 report was presented – everything is in order

CST (Aaron Ballast)

- 11 students took the CST at NWTC in March. 8 passed and 3 are pending
- A complaint was filed concerning some of the questions in the need of updating/modernizing. There were too many questions on level rods

ETHICS AND PRACTICE (Tom Leslie)

- No requests or completed forms were received since the last meeting

LAND RECORDS (Ryan Duckart)

- **WisDOT Geodetic Survey Project** – Recently, the Wisconsin Department of Transportation (WisDOT) negotiated contracts to start geodetic survey field observations in northeastern Wisconsin as part of the initial development efforts of the Wisconsin Height Modernization

Program with an anticipated start date of late April 2015. They are currently in negotiations for similar contracts to perform geodetic leveling in northeastern Wisconsin as well with anticipated start dates in June 2015. For this survey work, you may see 3-person leveling crews utilizing A TV's along the R/W as well as 1-person crews performing GPS observations on many geodetic survey control stations (survey monuments) that have been constructed in the ground over the past few years. These geodetic survey control stations are typically located within the R/W and marked by either white plastic posts or orange 4" x 4" guard posts. Survey work is currently expected to last through the end of the summer and possibly into the fall in this area of the state with multiple crews working simultaneously throughout the region.

The firms performing this work for WisDOT are:

Ayres Associates
Patrick Engineering
DJ Henkel & Associates

These are experienced and qualified firms that have performed geodetic leveling and/or geodetic survey field observation campaigns for WisDOT in the past in other regions of the state and are expected to have work zones clearly marked with orange signs (leveling crews) and/or with vehicles equipped with flashing amber lights.

- **GEOID12B** - On April 23, NGS released a new geoid model that is a revised version of GEOID12A. The new model is known as GEOID12B. John Ellingson from NGS said that it is not necessary for you to change your GPS equipment/software to reflect the new model. The new model is EXACTLY the same as the earlier GEOID12A model in the fifty states (CONUS). The only change with the new version is that they have updated the portion (of the earlier geoid model) that covers Puerto Rico and the US Virgin Islands. So, unless you are surveying in Puerto Rico or the Virgin Islands, there is no need to make changes to your geoid model at this time.

An important point to remember... You should only be using the GEOID12* model if you are working with NAD 83(2011) ellipsoid heights. If you are working with ellipsoid heights determined via earlier

adjustments of NAD 83, then you should use GEOID03

LEGISLATIVE (Ed Harvey)*

- No report received

MEMBERSHIP (Ryan Duckart)

- Discussion on a Chapter Member in the hospital. More information will be sent to membership if ok'd by the surveyor to do so
- There are **138** paid members as of this meeting
 - 84 Professional
 - 13 Affiliate
 - 20 Students
 - 4 Sustaining
 - 17 Lifetime

NOMINATING (Gary Zahringer)*

- No report received

PROGRAM (Jeff DeZeeuw)

- Thornberry Creek will NOT be the venue for the Chapter's Summer golf outing and membership meeting. Mid Vallee or Royal St. Patricks will be checked out to see if they have that date available. Info will be posted on Chapter website
- There will be NO trap shoot this year. Not enough interest or locations that will hold event. Perhaps fishing? There are many Chapter members with boats – maybe next year?

PUBLIC RELATIONS (Aaron Ballast)

- Home show went very well – bigger than the Manitowoc show but smaller than Brown
- “Day In The Life” also went well. There were lots of kids going thru the event. Thank you to all those who volunteered!
- A blurb will be added to the Summer newsletter thanking all volunteers

SCHOLARSHIP (Dale Raisleger)*

- No report at this time

SEMINAR (Terry Van Hout)

- Town Roads Association attorney, presenter at last year's Institute, was discussed as a possible Fall seminar, or have topic that falls in Category 2 (ethics) for continuing education, with perhaps a municipality or railroad person for the second half?

STUDENT REPRESENTATIVE (Dustin La Blonde)*

- No report at this time

TRIG*STAR COMMITTEE (Jim Westerman)*

- No report at this time

OLD BUSINESS

- No “Old Business” to discuss

NEW BUSINESS

- WSLs Summer meeting is coming up – anyone planning on attending??
- 100% Membership (Chapter dues and State dues all paid at once) was again discussed. More information from Frank's analysis of the membership database before the Chapter will make a final recommendation

Being no further business *a motion was made, seconded and approved* to adjourn at 8:39 PM

Respectively submitted,

Tom Leslie (*with help!*)

Secretary

Summer 2015 Board Meeting

ADJOURN

The Northeast Chapter thanks the following people for volunteering at the 2015 Fox Valley Home and Landscape Show on March 27-30, 2015. The show was a great success, with many people stopping by the NE Chapter booth to ask questions about their land and the land surveying process.

THANK YOU!

A special "THANK YOU" to Lisa Van Horn and Rick Van Goethem for getting the booth together and setting up all the displays, equipment (old and new), pictures and maps.

Aaron Ballast - TNT Professional Land Surveyors

Larry Miller - Retired

Jeff DeZeeuw – Corner Point

Ryan Duckart – Brown County PALS

Travis Coenen – Village of Wrightstown

The Northeast Wisconsin Chapter of the Wisconsin Society of Land Surveyors

2015 Sponsor A Student Meal Program

Sponsorships are for a free meal at any of the 4 Quarterly Northeast Chapter General Meetings. Any student or person interested in the profession is eligible. If you have someone that would like to participate, please bring him or her along to the next meeting.

Thank you to all who participated in the past 9 years, it has been a HUGE success!

We are again asking for your support in sponsoring student meals in 2013 and beyond. Your donation will encourage students (and potential employees) to take an interest in the surveying industry and perhaps Chapter involvement.

- Please fill out form below as you would like to be acknowledged for your free meal donation--

Date: _____

Name: _____

Company: _____

Phone Number: (H)_____ (W)_____ (Fax)_____

Email: _____

SPONSORSHIP FEE: \$20.00 PER MEAL

Northeast Wisconsin Chapter of WSLs

2015 SPRING GENERAL MEETING MINUTES

April 9, 2015 – Liberty Hall in Kimberly, WI

The 2015 Spring General Meeting was held on April 9, 2015 at Liberty Hall in Kimberly, WI. There were 50 members present when Chapter President Paul Nordwig introduced:

Special Presentation

John Casucci, author and Wisconsin PLS, gave a presentation on a perplexing right-of-way issue entitled "A Road Vacation in G.F. Clark's Addition, Village of Pewaukee, Waukesha County". There were various r-o-w involved in the area and created some confusion as to what is correct. It was a very interesting problem for sure. (Avenue or Street??)

President Nordwig thanked Mr. Casucci for his presentation, and then called the General Meeting to order at 8:16 pm

A motion was made, seconded and approved to accept the General Meeting minutes of January 8, 2015

A motion was made, seconded and approved to accept the Treasurer's Report as presented in the April 2015 Newsletter

The following reports were given (*by email):

Newsletter Editor's Report (Steve Bieda)

- No report at this time

WSLS Report (Rick VanGoethem)

- Last meeting was March 14th in Rothschild
- Board discussed 100% Membership again and decided to table so that Chapter Reps can get input from the membership. Meeting discussion was good, including concerns on the logistics of money flow, database updating. It was mentioned that if you are a member of a WSLs Chapter then, technically, you are a member of WSLs. What are the liability issues?
- Summer meeting hosted by Southwest Chapter from July 30-Aug 1 at Devils Head in Merrimac

- WSLs is offering a 1st Year Surveying scholarship. Applications are due June 1, with award being given at the WSLs Summer meeting
- The WSLs Board discussed the 4 year degree for licensure. More information is needed before a firm stand can be made. The WSLs Education Committee will draft up a survey and send to the WSLs membership and get their thoughts on the subject, and hopefully in time for a report at the May Board meeting

NSPS Report (Lisa Van Horn)*

- Lisa is leaving for Arlington, Virginia this Sunday for the National Surveying, Mapping and Geospatial Conference

Auditing Committee (Tony Lulloff)

- Tony passed out copies of the 2014 Audit report for the Chapter. Everything is in good order

CST Committee (Brad Nelson)

- 11 students took the Level 1 CST test at NWTC last March. Most passed, with a few still pending

Ethics and Practices (Tom Leslie)

- No forms have been received or mailed

Land Records (Ryan Duckart)*

- Fond Du Lac County has all Plats of Surveys, ALTA Surveys, Tract Indexes, Section Summaries and Tie Sheets available online, available for viewing/printing, no subscription or login required. They can be accessed by visiting the Fond du Lac County website- Departments-Surveyor- click on the links to plat of surveys. They are available for searching by section-town-range or by subdivision name. The entire subdivision name does not have to be spelled out. In searching section 1 – 9, the field must be typed in with two digits, (01)(02) ect. Subdivision name and searching sections

1-9 are the biggest problem users are having in searching. Users can contact Peter Kuen with any questions through the Fond du lac County website. Manitowoc County has had tie sheets, Plats of Surveys, and section summaries online now for about 1.5 years. Brown County is still working on adding surveys in the City of Green Bay to their online index. The rest of the county is complete with CSMs, Subdivisions, and Plats of Surveys Florence County does not have a full time County Surveyor so the Register of Deeds serves as the place where surveyors can do research and get information to aid in their work. However, there is some concern that very few surveys and maps are being filed at the county. It is required by state statute to file maps in the county that they are performed in within 60 days upon completion, so if anyone has any work that they have done in Florence County, or any county, please be sure to file your surveys

- The Wisconsin County Surveyors Association is hosting a forum to "Align County Surveying and Parcel Mapping Efforts in Wisconsin" on March 12, 2015 from 9am - 4pm at UW-Stevens Point's Dreyfus University Center. This forum is free and is intended to bring community members together to educate and initiate a process to improve alignment, coordination, and prioritization of surveying activities and parcel mapping efforts within and between counties. These efforts are necessary to ensure that parcel maps are accurate, that gaps and overlaps do not occur along county boundaries, and that map users have confidence in their results. These efforts will also help ensure that PLSS remonumentation is an achievable goal

gislative (Ed Harvey)

No report at this time

mbership (Bob Reider)*

Membership counts as of April 9, 2015

- 75 - Professional
- 10 - Affiliate
- 20 - Student
- 3 - Sustaining
- 17 - Lifetime
- 125 Total

Nominating Committee (Gary Zahringer)*

- No report at this time

Program Committee (Jeff DeZeeuw)

- The Chapter's Summer meeting in July will include a presentation on concealed carry & the surveyor
- Jeff thanked John Casucci for his thought provoking presentation on his paper: "*A Road Vacation in G.F. Clark's Addition, Village of Pewaukee, Waukesha County*"

Public Relations (Aaron Ballast)

- The chapter's vendor spot at the Fox Valley Home Show was very well received by the public. Prizes were given for guessing a certain distance and angle. A candy dish was also provided to entice people to stop and talk about surveying
- A special "Thank You" to Lisa Van Horn and Rick VanGoethem for their donation of time and materials for the old & new surveying equipment display
- *Any suggestions for next year's location??*
- "A Day in a Life" at the National RR Museum is coming up in April and the volunteer list for all three days has been filled - THANK YOU!!

Scholarship Committee (Jim Sehloff)

- No report at this time

Seminar Committee (Terry Van Hout)

- The Spring Seminar on Friday, March 20, 2015 at Rock Gardens in Green Bay was a great success. Jerry Mahun entertained and informed over 60 people. Feedback from participants was very positive.
- Mr. Mahun requested that instead of being "paid", he would like a Chapter donation to be made to the WSLs Foundation. After consideration, the Committee agreed to donate \$600 (\$10/person x 60), in Mr. Mahun's name, to the WSLs Foundation. He received free accommodations and was reimbursed for travel mileage
- See Seminar Report in the latest newsletter for the more specific numbers

Student Representative (Dustin LaBlonde)

- Students in attendance were introduced
- The Civil Engineering Club at NWTC was recently awarded the "Service Project of the Year Award" – Congratulations Students!!

2015 Spring General meeting minutes continued -

- The NWTC class will soon be touring the local wastewater treatment facility
- Brett Lotto introduced himself and announced he is the new Natural Resources instructor at FVTC. Congratulations!
- Thank you to the Chapter for supporting the CST exam for students at NWTC
- Joel Wald, WSLs Website Committee member, stated that people/companies can start sending them what counties they work in, information which will be made available online on the WSLs website. You must register to be included on the list
- Terry Van Hout asked “What’s your definition of “Survey Grade”? WCSA has been trying to come up with an agreeable description

Trig Star (Jim Westerman)*

- No report at this time

Old Business

- No Old Business

New Business

- WSLs’s 1st Year Scholarship is moving forward. Applications have been sent out, and due back June 1. It will be given out at the WSLs summer meeting
- John Casucci mentioned the WisDOT is looking to change the Condominium laws. Plat Review will be working with them to discuss ideas and concerns
- Les Van Horn stated that the latest *Wisconsin Professional Surveyor* contained a very good article concerning Parcel Maps and written by Chapter Member Ed Harvey

*Chapter Free Meal: Anthony Lulloff
(donated to student meals)*

Being no further business, *a motion was made, seconded and approved* to adjourn at 9:04 pm.

Respectively Submitted,

Thomas Leslie
Secretary/Treasurer
