PRESIDENT'S MESSAGE:

President's Message:

Hello Fellow Surveyors,

I hope all is well as we come out of this past 16 months of pandemic life. During this time our industry really hasn't slowed down. As we move through the summer months with warmer weather and longer days, hopefully all of you are finding time to enjoy your families and friend the way you did prior to the pandemic.

I know that all of you look forward to the camaraderie of the NE Chapter meetings and gatherings. With that in mind, we will be enjoying some golf and trap shooting prior to the Summer General Meeting on Thursday, July 22nd. Golfing will take place at Hilly Haven Golf Course and trap shooting will take place at Triple J Wind and Clay before the meeting. The meeting starts at 5:30pm. If you are interested in golfing please RSVP Rob Harris at rharris@harrisinc.net. If you are interested in trap shooting please RSVP Aaron Ballast at tnt-pls@tntsurveyors.com. If you are unable to attend golfing or trap shooting, you are welcome to attend the meeting. There will be no virtual option for this meeting, it will be held in-person.

On another note, I would still like to stay on top of outreach projects like the Boy/Girl Scout Surveying Merit Badge, A Day in the Life, and Get Kids into Surveying. Our industry is hurting for people and outreach through programs like these will help to fill those needed positions. If anybody is interested in helping our Public Relations Committee with these projects, please do not hesitate to reach out to John Sleik or myself.

There are a couple other events taking place that I want to make you aware of. The first is the WSLs Summer Meeting. It will be taking place on August 13th and 14th in Wausau. Please check the WSLs website for more info. The other event is the Fall NSPS meeting that will be held in Oak Brook, Illinois on September 22nd – 25th. We do not get many of these meetings this close, so this might be a good time to try to attend. Check the NSPS website for details.

Thank you for taking the time to read my ramblings. I hope that this message finds you safe and healthy. Please let me know if you have any questions or ideas to bring to the board as I am here to serve.

Best Regards,

Howard Herrild III, PLS
President

NOMINATING (Brad Nelson)

- WSLs will seek Officer nominations in June

PROGRAM (Andy Cleveland)*

- Working on Summer Meeting presentation

PUBLIC RELATIONS (John Sleik)

- John Sleik contacted the Boy/Girl Scouts. Getting more information on when they are doing the scout merit badge. Probably not happening this year but maybe next year? Sounds like the scouts are doing it

every 3 years at this point. Howard said they could host at NWTC as they have plenty of equipment. They could also put food on

SCHOLARSHIP (James Cappeart)*

- Nothing much going on right now. State level just went through "an application" and picked "a winner" for 2 scholarships. Only 1 person applied

SEMINAR (Terry Van Hout)*

- Seminar speakers are still being contacted

STUDENT REPRESENTATIVE (Sam Hebel)*

YOUNG SURVEYOR (Conner Christopherson)*

- No report at this time

OLD BUSINESS

- Boys/Girls Scouts: May try to partner the two together. Would get more kids there together to learn. Maybe set it up for a jamboree?
- Get Kids into surveying: Dewey North is the new mascot. The mascot looks like Frank Thousand. Howard looking for ways to strengthen the surveying profession through the youth, both at NWTC and Fox Valley Technical College. Howard is also looking for ideas from the membership. There is a grant available for recruiting military members. NWTC is working with generals to recruit military members. Coordination grant that is built around the industry (Dept. of Work Force Development on steroids)
- Membership dues on the WSLs website for the NE Chapter. Howard and Mark have editing rights since they are on the education committee. There will be a fee to be able to pay the dues through the website. You can pay your state and NE Chapter dues all at one time

NEW BUSINESS

- Camera and Mic for virtual meetings. Howard doesn't see us doing virtual meetings anytime soon. Howard would like to approve on a limit to

spend in short notice if need be. Technology budget? Looking at the by-laws to see how this should be handled. Maybe \$300 a year with a \$1500 limit and then after that the overflow money goes back into the general fund?

- GPS on NGS Monuments: Howard thinks we should try to pick a day or two to get a group of surveyors together. Presentation at the summer meeting? Howard thinks that there is an interest within the general membership to help out in some way. Should the NE Chapter pick a weekend to do this?

Being no further business, a *motion was made, seconded and approved* to adjourn at 8:30pm

Respectfully submitted,

Thomas Leslie, Secretary
Spring 2021 Board meeting

2021 SPRING GENERAL MEETING MINUTES

April 14, 2021 – Chicago Street Pub in De Pere, WI

The 2021 Spring General Meeting was held on April 14, 2021 at Chicago Street Pub in De Pere, WI. There were 44 members present, including 6 students, when Chapter President Howard Herrild introduced

SPECIAL PRESENTATION

- Lisa Van Horn discussed the topic of Catahoula Lake as presented at the Institute back in January. This concerns a recent court case in Louisiana where a cartography map was deemed correct instead of the GLO maps

President Herrild thanked the Van Horns for the very informative and somewhat unbelievable presentation.

President Herrild then called the Spring General Meeting to order at 8:23 pm

A motion was made, seconded and approved to accept the General Meeting minutes of January 21, 2021 as presented in latest Chapter newsletter. Tom L will obtain a clicker for the computer to help with presentations, unless someone may have an extra we could use?
