PRESIDENT'S MESSAGE:

Hello Fellow Members,

With the passing of the Memorial Day and 4th of July holidays, summer is officially here. I expect that everyone is busy and trying to do everything they can to keep up with the high demand for our services. It's easy to get caught up in the high demands of our work, but make sure to make time for some relaxation and enjoy time away from work with family and friends, because before you know it, summer will be over.

One opportunity to break away and play hooky for a day is to join in on the fun for some golf or trap shooting at our summer meeting on July 14th. The golf outing will be held at Hilly Haven Golf Course, you can contact Rob Harris at rharris@harrisinc.net to sign up. The trap shooting will be held at Triple J Wing and Clay, you can contact Aaron Ballast at tnt-pls@tntsurveyors.com to sign up. The social event will follow the golf/shooting at Hilly Haven Golf Course with dinner being served around 5:30 and meeting to follow. Lastly, door prizes for golf and shooting are always welcome and appreciated.

Another great opportunity to get away from work for a couple days is to attend the WSLs summer meeting on July 29th and 30th in La Crosse, WI. With brewery tours, golf, disc golf, pacing contest, and a dinner cruise, there are plenty of fun options for everyone. You can find more information about the event on the WSLs website or by clicking the link [Wisconsin Society of Land Surveyors - 2022 Summer Meeting \(wsls.org\)](http://Wisconsin Society of Land Surveyors - 2022 Summer Meeting (wsls.org)).

A Day in the Life was held in May at the National Railroad Museum after a couple years off due to COVID and was a huge success. I'd like to thank everyone that volunteered to help make the event a success. If you haven't volunteered in the past, I encourage you to do so next year.

I'm looking forward to seeing everyone at the meeting and wish everyone a safe and fun filled summer.

Regards,
Ryan Beltrand, PLS
President-Northeast Chapter of WSLs

- No meeting since the last report in April
- Planning is underway for a fully in-person Institute in 2023. The virtual option was where most of the complaints came from

- Presented at the last WSLs Board Meeting to discuss the possibility of creating a State Team for the NSPS Competition. Ferris State won the last competition (James Cappaert alma mater 😊)
- Discussed possible dues to join. A quick study of other similar organizations shows most are starting to charge dues as well (trend)

AUDITING (Terry Van Hout)*

- No activity until late in the year

CST (Howard Herrild)

- (insert cricket noises here) No report

ETHICS AND PRACTICE (Tom Leslie)

- No activity at this time

LAND RECORDS (Jacob Braum)*

- Discussed a possible scholarship being offered to those that take TrigStar and go on to take the surveying test as well (incentive??)

OLD BUSINESS

- Second signature for bank accounts all set up – will need new checks soon
- Discussed reviving the Raffle @ General meetings. Once Tom Wood left, this fell to the wayside. Will need more ticket stock – James C will facilitate

2022 SPRING GENERAL MEETING MINUTES

April 14, 2022 – Calmes Pub in Kaukauna, WI

The 2022 Spring General Meeting was held on April 14, 2022 at Calmes Pub in Kaukauna, WI. There were 36 members present, including 3 students, when Chapter President Ryan Beltrand introduced:

SPECIAL PRESENTATION

- Paul Crocker, Project Manager at Ayres, presented on “UAS technologies and how they apply to the modern surveyor”. He spoke of the different levels of available drones, what each one can (or should) be used or not used, depending on the project. He also discussed the overall state of drone use, for surveyors as well as other companies and how this technology is helping create a much safer way to “survey” the difficult areas for surveying (major highways, underpasses, remote areas, etc)

President Beltrand thanked Paul Crocker for his informative presentation

President Beltrand then called the Spring General Meeting to order at 8:15 pm

A motion was made, seconded, and approved to accept the General Meeting minutes of January 20, 2022 as presented in latest Chapter newsletter.

Scholarship Committee (James Cappeart)

- Low number of applicants, both Chapter and State level, have been exceedingly lower each passing year. Plans are to have a committee discussion and pass along the results to the Board. What do we do??

I am working on setting up a date to present at Denmark High School after their Easter break and will proctor the exam there 2-3 weeks after that. Mark Kamin also has a gmail account that can be used. *A motion was made, seconded, and approved* to create a Chapter Board email account to be used for communication between the Board and the membership or between Board members. It can also be used to send members a “Remember the Date” or

“Save the Date” email that will help populate their calendars with the meeting info

- With Frank retiring, Bob Welch from The Welch Group has been chosen as the new WLSL Executive Director, and will be using the resources from Welch Group to aid in getting things up and running
- Combination/Retracement CSMs in Brown County are being revised (Advisory Committee) with a proposed reworking of Chapter 21 portion of the ordinances. Randy Oettinger is part of that advisory group. Also being looked at are ESAs/ Setbacks/ Steep slope issues. These CSMs were originally designed with the intent of giving people an easier alternative to a regular CSM. If not available, people may not do CSMs at all. The requirements are much looser than with a regular CSM.

FREE Chapter Koozie: None given at this meeting

Being no further business, *a motion was made, seconded, and approved* to adjourn at 9:08 pm.

Respectively Submitted,
