ADJOURN

PRESIDENTS MESSAGE:

Chapter members,

As the trees begin to make their colorful transition it reminds us that summer has passed and that it is time for our fall general membership meeting. I'm looking forward to seeing everyone and I hope that the summer has been a productive and profitable one as the economy continues to struggle. Speaking of struggle, I'm sure everyone has heard of the recent misfortunes of some of the Chapter's most active members. Les and Lisa Van Horn were hit by a car while riding their motorcycle and Jim Wallen lost his house to a fire that started in his neighbor's garage; thank goodness no lives were lost. Please join me in keeping them in your thoughts during their recovery.

I would like to thank all of the very generous businesses that provided door prizes for the summer golf outing and trap shoot this year (see the enclosed list); please make a point to help support them as well. As a result of the Chapter's layout work of Tent City for Farm Technology Days, the Chapter was given a booth at the event. I would like to thank all of the volunteers that stepped up to make this a great public outreach event for the Chapter. As with any organization such as the Northeast Chapter, it is the participation of the members that makes it successful.

As the presidential election approaches we can only hope that it's decided with greater precision than that of the final play of the recent Packers game. With that, I wish you all well and I'll see at the meeting.

Enjoy the fall.

Jeff DeZeeuw

2012 Chapter President

Discover your level of Success with Trimble Robotics

Pinnacle Package: S6 - 3" Trimble Robotic Total Station

Includes: TSC3 w/Trimble Access & Roads with internal radio, Power Kit, MT1000 MultiTrack Target, Prism Pole, Accessory Kit for Data Collector, Trimax Tripod, Priority Tech Support, Custom Package Training, 2nd year Warranty on TSC3.

- You can control all the functions of the Trimble S6 from the rod as you move through the job site making measurements. Now a single surveyor can perform high accuracy, Boundary, Stakeout, and Topographic surveys.

Ultimate-Pinnacle Bundle Option: Add Vision Technology to your S6. Eliminate several trips back and forth between rod and the instrument. Trimble VISION™ technology, and the Trimble S6 Total Station enables surveyors to remotely see and measure through a live video feed from the instrument on their data controller. By integrating survey data with the live video, surveyors can verify their work and ensure that they have captured everything before leaving the job. Trimble VISION photogrammetry* is a survey tool that precisely measures points which were previously time-consuming, dangerous, or impossible to collect using other techniques.

*Requires Trimble Business Center (TBC) Advanced.

Peak Package: Trimble® S3 - 2" Robotic Total Station

Includes: TSC3, w/Trimble Access & Roads, Power Kit, 360 prism, Prism Pole, Accessory kit for Data Collector, Trimax Tripod, Priority Tech Support, Custom Package Training, and 2nd year Warranty on TSC3. The Trimble S3 is a robust, cable-free solution backed by world-class training, service and support through Trimble's extensive distribution network to keep surveyors up and running. The Trimble S3 System provides a great foundation for getting a survey crew into Robotic Surveying.

Ultimate-Peak Bundle Option: Add Active Tracking to your S3

Bundle includes: Trimble Active Tracking and the MT1000 MultiTrack Target and Power Pack: Ensures you always locate and lock onto the correct target. Nearby reflective surfaces will not disrupt your surveys. Allows for longer range than passive tracking only. Accurate target tracking from any angle (using MultiTrack target) * does not include the 360 prism.

**Now thru end of year
Get a \$100.00 Steak Certificate with every order!**

All Robotic Special Pricing requires a Trade-In. Please contact your Seiler Trimble Product Specialist for full details.
Note: Trade-in offers may be withdrawn at any time by Trimble Navigation Ltd. Please contact us for details.

Northeast Wisconsin Chapter of WSLs

2012 SPRING BOARD OF DIRECTORS MEETING

May 9, 2012 – Rosatti's in Green Bay, WI

There were **8** members present when President Jeff DeZeeuw called the meeting to order at 7:01 pm

A motion was **made, seconded and approved** to accept the Board Meeting minutes of February 16, 2012

Treasurer's Report was accepted as presented. Tom L. checked out other bank/credit union options and found there really isn't much available for a 6 month/1 year CD – perhaps 0.6% instead 0.3%, so kept CD at Bay Lakes for next 6 months, with possible renewal in October 2012

The following reports were given (*via email)

NEWSLETTER EDITORS REPORT (Steve Bieda)

- No report at this time

WSLS REPORT (Rick VanGoethem)

- No report at this time – see April General minutes

AUDITING (Anthony Luloff)

- No report at this time

CSI (Troy Hewitt)

- No progress has been made with DOT

ETHICS AND PRACTICE (Tom Leslie)

- No requests or forms received since last meeting

LAND RECORDS (Ryan Duckart)*

- WisDOT HTMOD Leveling Project readjustment is now official. The adjustment includes all completed projects since the beginning of the Height Modernization Program. Over 20 existing marks were constrained in the new adjustment, as well as new, unpublished HTMOD projects

LEGISLATIVE (Ed Harvey)

- No report at this time

MEMBERSHIP (Scott Van Calster)

- The new recognition starting at our Summer meeting will honor Charles Rollman, a Chapter Lifetime Member. A Board member will bring Mr. Rollman to the meeting (and back). Mr. Rollman will also be presented an honorary plaque and free meal (as always)
- The email sent to all registered surveyors in the 13 county NE Chapter area yielded some results - we welcomed 4 new members at the April

meeting: Nate Anderegg, Brian Peot, Richard Huxford and Jill Perrigo

- There are **117** paid members as of this meeting
 - 70 Professional
 - 3 Affiliate
 - 26 Students
 - 4 Sustaining
 - 14 Lifetime

NOMINATING (Gary Zahringer)

- No report at this time

PROGRAM (NE Chapter Board)

- July's General Meeting presentation is set, with Lisa Van Hom discussing the many benefits of NSPS and its involvement with WSLs membership
- NSPS and WSLs have joined forces and will add an extra \$40 to the WSLs annual membership cost
- Summer Board meeting will be on **August 9th** NOT 16th as previously reported

PUBLIC RELATIONS (Aaron Ballast)

- National Railroad Museum "Day in a Life" this past April was another success – THANK YOU to all those who volunteered!
- Farm Tech Days has contacted Aaron and has asked for our help staking out Tent City in Outagamie County. Tom L. will send out an email to all chapter members asking for GPS volunteers and equipment sometime around June 13. The NE Chapter may get a free booth out of this – free publicity is always good!
- Terry D. from Bay Title (Manitowoc Office) has expressed interest in doing a Fall General meeting presentation. Jeff D. will contact and work out the details

SCHOLARSHIP (Tom Wood)*

- The application is under revision and should be ready for this year's application mailing

SEMINAR (Scott De Baker)

- Bob Ross, an Estate Planner from Door County area and Mock trial judge at the Institute, is on board as a ½ day presenter, perhaps a full day, if needed

STUDENT REPRESENTATIVE (Jordan Mande)

- No report at this time

TRIG*STAR COMMITTEE (Jim Westerman)

- No report at this time

Meeting minutes continued on page 14.....

Meeting minutes continued from page 10.....

OLD BUSINESS

- LightSquared issue was discussed, hopefully for the last time. Never say never but it does look good for the surveying community
- The email sent to all registered surveyors in the 13 county NE Chapter area yielded some results - we welcomed 4 new members at the April meeting: Nate Anderegg, Brian Peot, Richard Huxford and Jill Perrigo
- Scott D has checked out different website building websites and programs and has a good idea of what he wants to do. As time permits, he will begin changing the website look and content. He will also ask for comments on various preliminary layouts and looks. One possibility is having the Committee Chairs updating their pages... but we will have to discuss that with WSL.S to see if that works for them

NEW BUSINESS

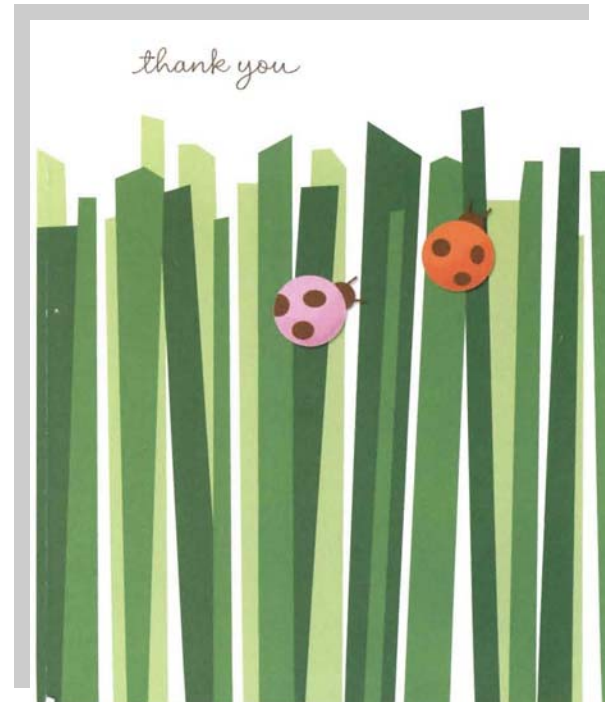

- Al Schneider, WSL.S President, was recently let go from the firm he worked for over 20+ years
- The NE Chapter will go in on the WSL.S Chapter banner order. Tom L will contact WSL.S and let them know we are interested. He will also look for a generic Green Bay picture for the background of the banner
- The WSL.S Outreach Committee offers help with funding of worthy Chapter events and functions
- Banking industry – we should attend their events to help them better understand the role of the surveyor as it relates to their businesses
- A lengthy discussion was held on the DOT and the non-perpetuation of property corners as they relate to any highway construction or relocation. This topic will be further discussed at the Summer meeting

Being no further business *a motion was made, seconded and approved to adjourn* at 9:35 PM

Respectively submitted,

Tom Leslie
Secretary

Spring 2012 Board Meeting

The plant is lovely and we will continue to enjoy for years to come. We thank the membership for the gift and all your thoughts & prayers.

Lisa & Les

Océ ColorWave 300

Worlds first large format, single footprint system for color and B&W printing, copying and scanning.

Five key savings with this large format multifunction printer.

- Save floor space with one compact large format multi-function printer for all color and black & white tasks.
- Eliminates waste and faulty copies. Océ Image Logic technology ensures first-time-right results for wide format color scanning and copying.
- No need to haul plans around, print directly from or scan to a USB stick.
- No messing around with different file types. Print the most popular file formats directly: HPGL/2, DWF, JPEG, PDF and many more.
- Ensure long-term accessibility of digital archived documents with scan to PDF.

The Northeast Wisconsin Chapter of the Wisconsin Society of Land Surveyors

2012 Sponsor A Student Meal Program

Sponsorships are for a free meal at any of the 4 Quarterly Northeast Chapter General Meetings. Any student or person interested in the profession is eligible. If you have someone that would like to participate, please bring him or her along to the next meeting.

Thank you to all who participated in the past 7 years, it has been a HUGE success!

We are again asking for your support in sponsoring student meals in 2012 and beyond. Your donation will encourage students (and potential employees) to take an interest in the surveying industry and perhaps Chapter involvement.

-- Please fill out form below as you would like to be acknowledged for your free meal donation--

Date: _____

Name: _____

Company: _____

Phone Number: (H)_____ (W)_____ (Fax)_____

Email: _____

SPONSORSHIP FEE: \$20.00 PER MEAL

I/We would like to sponsor _____ student meals (meals x \$20.00)...

Northeast Wisconsin Chapter of WSLs

2012 SUMMER GENERAL MEETING MINUTES

July 12, 2012 – Branch River GC in Manitowoc, WI

The 2012 Summer General Meeting was held on July 12, 2012 at Branch River Golf Club in Manitowoc, WI. There were 20 members present when Chapter Vice-President Tony Lulloff introduced Terry Van Hout and Steve Bieda who then handed out prizes to all the golf and trap participants as well as everyone else at tonight's meeting, thanks to the wonderful donations of:

Blue Print Services
Bay Title
Branch River Golf Course
Turning Point
Aerometric
American Family Insurance
Seiler Instruments
Bay Verte
Survey Supply Shop

Tony thanked our prize donors and asked everyone to please patronize our sponsoring companies whenever possible

Tony then called the General Meeting to order at 7:45 pm

A motion was made, seconded and approved to accept the General Meeting minutes of April 12, 2012

A motion was made, seconded and approved to accept the Treasurer's Report as presented in the July 2012 Newsletter

The following reports were given:

Newsletter Editors Report (Steve Bieda)

- Apologized for having the April meeting date on the front cover of July newsletter

WSLS Report (Rick VanGoethem)

- Rick reported on the last Board Meeting held in Black River Falls on June 2, 2012
- NSPS was again discussed. 100% participation from all states is the goal, with upwards of 25,000 members possible. WSLs is looking at approx.

\$40 more per year membership dues to cover NSPS costs. WSLs will also have an opt-out clause in case dues are increased significantly. Could possibly go for long term contract to keep the costs down? John B noted that "both guys in Alaska are signed up!"

- *A motion was made, seconded and approved to give NE Chapter's full support of WSLs and NSPS joining forces. An email will be sent to Chapter members presenting the motion, and will also include the NSPS article from the latest WPS magazine*
- There will be an Ethics seminar and an A-E 7 seminar in the fall
- Summer meeting is coming up soon
- NSPS membership costs may be helped by WSLs for the first year or two, perhaps increasing WSLs dues \$10 the first year and \$5 the following years to slowly get up to the \$40 cost

Auditing Committee (Tony Lulloff)

- No report at this time

CST Committee (Troy Hewitt)

- No report at this time

Ethics and Practices (Tom Leslie)

- No report at this time

Land Records (Ryan Duckart)

- WDOT Height Modernization has been finalized and should be available online

Legislative (Ed Harvey)

- The Survey Modernization Bill will be re-introduced this year, possibly divided into two separate issues. It will not contain all the concessions given in last year's bill. \$\$ for remuneration will also be included
- A proposal by LION involves getting the funds collected by RODs being sent back to Counties for use in modernizing land records. So far

Membership (Scott Van Calster)

- Membership counts as of July 12, 2012
 - 71 - Professional
 - 3 - Affiliate
 - 26 - Student
 - 4 - Sustaining
 - 14 - Lifetime
 - 118 Total

Nominating Committee (Gary Zahringer)

- Gary Z has been sidelined by an accident at his bear stand up north. He should be ok. Jim Wallen has volunteered to help if needed – thank you!

Program Committee (NEC Board)

- Lisa Van Horn was scheduled to present on NSPS. Unfortunately Les & Lisa were recently involved in a motorcycle accident. Both are ok but Lisa will be out of commission for a while
- At the Fall General meeting, Todd Elliott will be presenting on OSHA and how to avoid them or what to do if they become involved

Public Relations (Aaron Ballast)

- Farm Tech Days is coming up soon. It will be held near New London. VOLUNTEERS are needed to help man the free booth the Chapter received for staking out tent city. Please see Terry V if you would like to help out... otherwise you'll be getting a call
- THANK YOU to all those who helped obtain the prizes for tonight's meeting

Scholarship Committee (Jim Sehloff)

- No report at this time

Seminar Committee (Scott De Baker)

- No report at this time

Student Representative (Sam Malone)

- No report at this time

Trig Star (Jim Westerman)

- No report at this time

Old Business

- No report on the website updating
- Banner has not been received as of this meeting. Tom L will check it out

New Business

- Road project remonumentation – are perpetuation surveys being filed in the County where they are performed?? Should the Chapter try to collect stories? Hard to do if there are no maps. Perhaps the Chapter should send a letter of concern to DOT? The surveyor of contract should be the one remonumenting the sites
- The honoring of a Lifetime Member scheduled for this meeting has been postponed in part to Les & Lisa's accident and because it was decided that the Fall meeting is usually better attended than the Summer meeting, and we want many people in attendance to honor the surveyor
- DOT has been leaving small, non-compliant pieces of land behind after road projects. Should these remnants be bought out by the people who made them – DOT??
- Assembly Bill 187 was discussed. It relates to 66 ft vs. occupation for "unrecorded" right-of-way widths. Not all counties will take dedicated r/w in a CSM, while some actually include the r/w in the overall acreage of a parcel. A court case in Green Lake was used as an example

Chapter Free Meal: None was given

Being no further business, *a motion was made, seconded and approved* to adjourn at 9:02 pm.

Respectively Submitted,

Thomas Leslie
Secretary/Treasurer
