## PRESIDENTS MESSAGE:

The seasons are flying by too fast. With the wonderful fall colors in full swing, the workloads grow in hopes to get the projects finished before winter. I hope this year has been busy and productive for all.

Our fall meeting will be October 16<sup>th</sup> at Fox Banquets, which seems to have become a staple for us in the last couple years. We will have Renee Powers from Plat review to cover changes brought about by the survey modernization bill. In case you have not had a chance to review the changes yourself here is the link: [http://doa.wi.gov/Documents/DIR/Plat\\_Review/News/2014\\_Spring\\_WI\\_Plating\\_Statute\\_Changes.pdf](http://doa.wi.gov/Documents/DIR/Plat_Review/News/2014_Spring_WI_Plating_Statute_Changes.pdf). We also are privileged on having the State President, Sean Walsh, in attendance.

It was great to see such a wonderful turnout for the summer meeting. From the stories I heard sounds like those who could make the golf and trap shooting events everyone had a good time. I would like to thank Rob Harris and Tom Giese for setting up those events. We had a very informative presentation from Jennifer Powell, Land Management Coordinator at Woodland Dunes Nature Center and Preserve, on invasive species. Finally I would like to thank all the sponsors who donated items for the prizes. I hope Don LaCount is enjoying his new iPad Mini.

Fall is the time of year when the Chapter and State nominating committees are looking for new nominees for office holders. If you know of someone who you think should be nominated, please email me or Gary Zahringer. If you receive a call asking if you would be interested, I would ask you to please consider saying yes. By volunteering in this capacity, you will have to have the opportunity to grow personal friendships and professional relationships.

Looking forward to seeing you on the 16<sup>th</sup>!

Jim Sehloff  
Chapter President

## Northeast Wisconsin Chapter of WSLs

### 2014 SUMMER GENERAL MEETING MINUTES

July 10, 2014 – Royal St. Patrick's in Wrightstown, WI

The 2014 Summer General Meeting was held on July 10, 2014 at Royal St. Patrick's G.C. in Wrightstown, WI. There were 42 members present when Chapter President Jim Sehloff introduced:

#### Special Presentation

Jennifer Powell, Lakeshore Invasive Species Management Area Coordinator of the DNR, gave a presentation on "Non-native Plants to Look Out for and Avoid". She passed out baseball card-like "Wisconsin Wildcards" highlighting 6 of the most invasive and troublesome plants in Wisconsin.

Chapter members had plenty of questions, especially concerning the Giant Hogweed and how to avoid, what to look for, and where to report any field findings. Jennifer also spoke of Poison Hemlock, Tansy, Wild Parsnip, Japanese Hedge parsley and Wild Chervil as well as native look-alikes (Cow Parsnip, Angelica). She discussed the known areas of concern as well as how they spread and how to stop or limit the spread of the seeds of these plants.

President Sehloff thanked Jennifer Powell for taking the time to visit our chapter and speak to our general membership about the invasive species everyone needs to avoid while in the field.

#### Special Presentation

One more of Northeast Chapter's Lifetime Members was in attendance for a presentation of his "Lifetime Achievement Award", given in appreciation for their support of and dedication to the Chapter and the profession of surveying. Lifetime Member in attendance was:

**LARRY MILLER**
