PRESIDENT'S MESSAGE:

President's Message:

It's everyone's favorite time of year again. Football season. At least for me it is. The Packers and Badgers have pretty good teams this year that should hold most of our attention until the winter. [insert random weather comments here....talk about workload, etc...]

We hosted the WSLs Summer meeting this past July at the Radisson. All the feedback that we received has been great. I would like to thank everyone that attended and helped set-up, plan and coordinate this event. I would also like to thank John Matonich, Bonnie Teu-terg, Dennis & Kathy Nodolf and Dr. Angelo. Their presentations were exceptional and very well received. If you missed out on this event and want to try the pacing contests, feel free to stop by the Radisson. I recently drove by there and the lath and hub marking the distances are still standing almost 3 months later...

The fall meeting is going to be on Thursday, October 19 at the Ravine in Green Bay. We will have Tony Gromacki giving a presentation on the proposed changes to AE-7. He is looking for feedback on how everyone interprets the proposed changes. Also, please let Tom know if you are coming to the meeting. An accurate head count saves the chapter money by not having to guess at the number of meals we need to order. Please take the 5 minutes and send him an email or give him a call as soon as you can.

I look forward to seeing you all at our fall meeting.

Troy Hewitt PLS, CST

2017 SUMMER GENERAL MEETING MINUTES

July 20, 2017 – Northbrook CC in Luxemburg, WI

The 2017 Summer General Meeting was held on July 20, 2017 at Northbrook Country Club in Luxemburg, WI. There were 35 members present when Chapter President Troy Hewitt introduced:

Presentation

Chris Pahl & Chad Levanetz, Attorneys at Large for Metzler, Timm, Treleven, S.C. gave a presentation on “Reading and Interpreting Legal Text”. The attorneys discussed the following suggestions for how to be more effective at reading statutes, regulations and legal text:

- Slow down! Don’t read too fast
- Pay attention to the details
- Put language in its proper context
- Break down the Statute into smaller pieces
- Confirm you are referencing the most current version of the legal text
- Contact others or consult secondary sources

Special Presentation

Vice President Andy Cleveland presented Attorney Chris Pahl with a 3 year Honorary Affiliate Membership to the Chapter

President Hewitt thanked Attorney Chris Pahl and Attorney Chad Levanetz for their very interesting presentation. Vice

President Cleveland then called the General Meeting to order at 8:32 pm

A motion was made, seconded and approved to accept the General Meeting minutes of April 13, 2017

A motion was made, seconded and approved to accept the Treasurer’s Report as presented in the July 2017 Newsletter

The following reports were given (* by email):

Newsletter Editors Report (Jill Bostedt)*

- Everything is going well – no problems

WSLS Report (Jim Sehloff)

- Last meeting was May 20, 2017 in Stevens Point, WI
- Larry Miller talked about Day In A Life activities and updated plans for Summer meeting
- Seminar Committee has grid 90% complete for next Institute
- Three scholarships will be handed out at the Summer meeting
- A-E7 revisions were discussed
- Nominations for 2018 WSLs Officers are being collected by the Committee
- Central Chapter 45/90 project donation
- Foundation is still working on helping out schools with financial assistance with additional equipment
- Discussed Gateway issue (continuing?)

NSPS Report (Lisa Van Horn)*

- Exploring the takeover of the CFED program
- Emily Pierce, as Chair of the Workforce Development Committee, is working on a questionnaire to determine their needs

Auditing Committee (Terry Van Hout)

- No report at this time

CST Committee (Brad Nelson)*

- Currently 68 active CSTs in Wisconsin

Ethics and Practices (Tom Leslie)

- No report at this time

Land Records (Jason Bolz)

- Brown County has all their surveys online in the City of Green Bay, except the very old plats of survey. Now working on getting TPP, r/w plats, Town Road maps and Mortgage Inspections scanned and online

Legislative (Ed Harvey)

- No report at this time

Membership (Travis Ledvina)*

- Current totals: 129 members
- Students introduced themselves

Nominating Committee (Joel Wald)*

- No report at this time

Program Committee (Andy Cleveland)

- Thank you to tonight's presentors

Public Relations (Aaron Ballast)

- There were 14 volunteers to help stake out the 2017 Farm Tech Days in Kewaunee County. It was almost 80 acres in size – project was complete by 11 am – Thank you Aaron Ballast for setting up the project!

Scholarship Committee (Tom Leslie)

- Scholarship applications will go out sometime later this Fall

Seminar Committee (Terry Van Hout)

- Future seminar topics: GIS, CSM, FEMA, LOMA, Ethics and Conveyance of roads, A-E7 revisions

Student Representative (Tyler Hart)

- Interns are working hard this summer

Trig Star (Ryan Duckart)

- All went well for the first year – looking forward to next year – *perhaps 2 more schools for next year??*
- Testimonials from this year's teachers will be collected and used to persuade other schools to participate

2017 WSLs Summer Meeting (Howard Herrild)

- Numbers are looking good – should break even?
- Plenty of prizes will be available

Old Business

- Electronic storage of surveys – Brown County Corp Council is checking into the idea. Smaller counties may have a problem with this. More clarification is needed before proceeding. Terry Van Hout will report the results at an upcoming Chapter meeting
- WSLs Election process is in the midst of revision – details will be available soon. Will this new online

process hurt the NE Chapter representation on the Board? The NE Chapter has always had strong representation over the years. Will this dilute of influence? Is this a step backwards? It could be seen as a giving up of power. Sometimes a good looking resume is not the whole picture (remember last year's candidate?)

- Electronic signatures is another topic of discussion

New Business

- Senate Proposition 288 and Assembly Proposition 369 revisions re being discussed.. An informational email will be sent by Secretary soon after this meeting. Send your voice to Senators and Assembly personnel – make your thought known. Don't depend on others to comment
- *A motion was made, seconded and approved* to donate \$2000 to the Central Chapter 45/90 project. Secretary Tom L will send a check to the Central Chapter
- Chapter golf outing and Trap Shoot will be held in conjunction with the WSLs Summer Meeting next week

Chapter Free Meal: Ryan Bertrand (donated to Student Meals)

Being no further business, a motion was made, seconded and approved to adjourn at 9:11 pm.

Respectively Submitted,

Thomas Leslie
Secretary/Treasurer
