PRESIDENT'S MESSAGE:

Presidents Message:

Happy Fall Northeast Chapter!

There seems to be something missing around the office lately..... Oh yeah, our summer help is back in school! That seems to be the first indication each year that Fall is near. It is also an indication that things are gonna get a little crazier for the next month or so! Rushing to finish up this year's projects as well as getting a jump on next year's projects. It is the beginning and end of our very own circle of life!

Our Nominating Committee will be reaching out to the membership over the next few weeks in preparation for the upcoming year. I would encourage anyone that has not been a part of a board or committee in the past to strongly consider joining, either on the local chapter or State level. The time commitment is very manageable, even for a person with a full schedule! What you get back out of becoming actively involved far outweighs the effort you put in.

Our next General Membership Meeting will be held on October 18th, 6:00pm at Liberty Hall in Kimberly. Presenting will be Dan Teaters from Brown County Planning. He will be speaking about ESA issues. This topic always generates great discussions!

I look forward to seeing you there!

Andrew S. Cleveland, PLS
Northeast Chapter President

Seiler Instrument

Your Source For...

Seventy years ago our firm started with Optics by servicing and reconditioning surveying instruments and microscopes. Over the years Seiler Instrument focused on expanding this technology to Surveyors and many other industry professionals to support, promote, and educate our customers initially on GPS now better known as GNSS technology, along with 3D Laser Scanning, UAV technology, GIS/CAD software and more.

Seiler is an authorized distributor and partner with many high quality American Manufacturers such as:

- Trimble / Spectra Precision/ Seco
- Esri
- Seafloor Systems
- AGL
- Autodesk
- Optimal Ranging
- Intuicom
- Laser Technology

Seiler Instrument's continued commitment to customer service excellence goes beyond just a sale. We support industry professionals with experienced field and service staff that meet your needs face-to-face. Our dedication to continuing education through local surveying and industry associations further support and strengthen our commitment to you – our customer.

Thank you for your business and the opportunity to earn it.
