PRESIDENT'S MESSAGE:

President's Message:

Dear Fellow Surveyors,

It is upon my favorite time of the year as the leaves turn color it means that hunting season is right around the corner. This year it almost seems to have a greater anticipation as we can get outside and social distance due to COVID-19.

We had to delay the chapter seminar until September 27th this year. A special thanks to our speakers Lisa Petersen (Title Insurance) and John Matonich (Business Ethics) for another outstanding seminar. This year we also were able to present the seminar via teleconference. This allowed attendees the chance to still be able to attend remotely. I would personally like to thank Terry VanHout, Mark Kamin, and Howard Herrild for setting up the seminar and making it a success.

The summer golf outing and trap shoot was held before the last meeting on July 23rd. A special thanks goes out to our sponsors that donated prizes for golf outing at Hilly Haven and Triple J Wing and Clay. These sponsors have been very generous over the years and have helped the chapter even in these difficult and uncertain times. Please continue to support these vendors with your business. Special thanks to Aaron Ballast and Rob Harris for coordinating this event.

The Fall Membership meeting is scheduled for the Rock Gardens in Green Bay on October 22nd, 2020. Dick Kleiman is scheduled to present remotely on the new datum. Please let Tom Leslie know if you plan on attending so that we can get an accurate head count, you will also have the option to join via WebEx if you are not able to attend the meeting – it's only the Giants and the Eagles playing this Thursday night.

In closing, I wish everyone enjoyed the summer weather as fall is just beginning. I hope everyone is doing well and business are prospering. Also, don't forget to vote on November 3rd.

Sincerely,

Bradley Nelson
