PRESIDENT'S MESSAGE:

Hello Fellow Members,

Summer is officially over and Fall, aka Hunting Season is upon us. I'm sure many of you have your vacation time already planned out and are anxiously waiting for the day to break away from work and sit quietly in the woods. Along with hunting season comes the last-minute fall survey requests. The one's with a deadline of "before the snow flies". Got to love those, especially when they come in December.

Speaking of snow, the 74th Annual Surveyors Institute will be January 25-27 at the Kalahari in Wisconsin Dells. Make your hotel reservations early if you're planning to attend. The rooms seem to fill up quicker every year. More information will be posted on the WSLs website in the coming weeks.

Student Scholarships are also being posted on the WSLs website. Please encourage any students you may know to apply.

Regards,
Ryan Beltrand, PLS
President-Northeast Chapter of WSLs

ALTA/NSPS Survey – Why Do We Ask for One?

FRIDAY, OCTOBER 21, 2022 7:30 a.m. – 3:30 p.m.

- **What You Need to Know...Condominiums** - Feelings about condominiums can be summed up in these two statements... "Condos are basically *everything good* about the world all put into that one location." "Condos are a glorified apartment that is purchased, not rented." How can surveyors help developers, local units of government, and unit owners navigate the condominium form of ownership? By understanding the basics of the condominium statute
- **ALTA/NSPS Surveys** - When & Why do Title Insurers need an ALTA/NSPS survey? What common requirements are needed for Schedule A, and why do we need each of those requirements (or NOT need them?) Communication is always important. This presentation will hopefully explain all these questions
