Good Day Northeast Chapter members,

Saturday September 23 was the first official day of fall. Halfway through October now and it's time to prepare for winter. Time escapes me daily, and with shorter daylight hours, it seems to fly faster than the leaves off the trees.

Autumn always reminds me to celebrate the harvest from a summer of hard work. It's the time to winterize the boat or camper. Rake & blow the leaves. Pick the last vegetables in the garden or fruits from the trees. Usually for us, it's time to plan our winter getaway. I hope all of you take the time to reap the benefits of your hard work.

I think everyone that attended the summer meeting enjoyed some relaxation on the golf course and got some good practice on the trap range. It sure was nice to have a good attendance.

Our next General Meeting is being held at Gatherings 43, 623 De Pere Road in Denmark on October 26th. The date was changed to accommodate the students as they all should be back from their fall break.

Please keep in mind that the WSLs Institute is coming up and if you want a room you need to reserve early. I always enjoy going every year to meet with people from our profession that I only get to see at the institute. Plus it's great to see the new equipment and network with others that think alike.

Thank you for giving me the opportunity to serve as your president and I hope to see all of you at Gathering 43.

It's a great day for a survey !!

2023 SUMMER GENERAL MEETING MINUTES

July 20, 2023 – Woodfire Lodge in Brillion, WI

The 2023 Summer General Meeting was held on July 20, 2023 at Woodfire Lodge in Brillion, WI. There were 36 members present, including 2 students, when President Brian Frisque introduced:

SPECIAL PRESENTATION

Matt Heyroth, Brown County Zoning Administrator, discussed the newly adopted Flood Plain maps for Brown County. The presentation included:

- What areas did the new flood plain maps revise? *Presentation included colored maps and mainly covered areas adjacent to the Bay of Green Bay, and around both sides of the Fox River down to south end of City of De Pere. Also included a map showing what was removed and added to the new maps*
- What are the new flood zones and what do they mean? *Special Flood Hazard Areas (SFHAs) including Zones VE, AE, AO and AH*
- Is this part of the Great Lakes Coastal Flood study project? *Yes it is*
- Where can flood study information be downloaded? *They can be found at the following link: <https://browncounty.maps.arcgis.com/apps/webappviewer/index.html?id=29a9b59d678d45468b538692d2752dd8>*
- Discussed Wave Runup Mapping
- How to properly interpolate between transect lines?
- Any important dates when fill is considered “fill”? *Nothing right now. There is the ability to compare 2020 contour info from 2000 through 2010*
- Any major ordinance changes due to the new maps? *4 changes were discussed*
- Discussed the effects of the New Flood Zones on Flood Insurance
- Provided commonly used acronyms in Floodplain Management, as well as definitions and synonymous terms
- Discussed understanding the FIRM and regulatory requirements, including what is the definition of “Development”?
- Document visually showing Floodway vs Flood Fringe and Floodway designation
- Document explaining Flood Insurance Rate Map
- Contact information for BC, Insurance information,, FEMA specialist and DNR
- Power Point of Matt’s presentation will be added to Chapter website

President Frisque thanked Matt for his great presentation. He then called the General Meeting to order at 6:53 pm

A motion was made, seconded, and approved to accept the General Meeting minutes of April 20, 2023 as presented in latest Chapter newsletter

Scholarship Committee (Mark Kamin)

- Nothing to report at this time – starting in Fall

Seminar Committee (Tom Leslie)*

- No report at this time

Student Representative (Seth Sanders)*

- Students on break – no report at this time

Trig-Star (Ryan Duckart)

- 10 schools statewide participated last year. A total of 4 schools participated in Trig-Star for the 2022-2023 school year in our area. They were Bay Port, Denmark, Luxemburg-Casco, and Two Rivers. Special thanks to Connor Ebben, Jason Bolz, and NE Chapter President Brian Frisque for helping with the presentations. We performed outdoor presentations at 3 of the 4 schools. Unfortunately, Bay Port was not able to fit in a presentation this year. Two Rivers was really excited about our presentation and is already planning to do some measuring and calculations before we come next year and to have us check their data with our survey equipment. This year was the first time back in Two Rivers since 2020
- A total of 130 participants took the Trig-Star exam in the state, and the winner was Zeke Jeske from Oregon High School with a score of 95 and a completion time of 13'54". The highest finisher from our area was Hailey Arneson from Denmark High School who finished fourth in the state. The Wisconsin Society of Land Surveyors Foundation donated \$100 and paid for a plaque for the winner of each school that participated. Additional prize money was given out for 2nd and 3rd place at many schools through the local chapters and/or sponsors

Old Business

- Shooting Clays were held at Triple J Wing & Clay
Best score: Connor Ebben (46)
- Golf was held at Wander Springs
Best score: Steve DeJong (86)

- THANK YOU again to all those who volunteered for "Day in the Life" at National Railroad Museum, Special thanks to Les & Lisa Van Horn, Aaron Ballast, Howard Herrild and Mark Kamin for taking special interest in this and going the extra mile for the kids!

New Business

- SAFETY – Christopher O'Neal was hit by a vehicle while working in a median. **PLEASE** make sure to take a few minutes and use your Safety Equipment
- Brown County ROD sent an email requesting the Board remind the Chapter members that they should NOT use gray scaling or hatching as it does not scan properly and can make it unreadable

Being no further business, *a motion was made, seconded, and approved* to adjourn at 7:31 pm.

Respectively Submitted,

Ryan Duckart
Temporary Secretary/Treasurer
(Thank you Ryan!)

Dear Thomas,

Thank you so much for your gift of \$257.50 to DAV. Your generosity means the world to veterans and their families working to build a new life after their service to our country.

Your gift will:

- Help veterans apply for the earned benefits and assistance that are critical to their health and well-being.
- Give our heroic men and women the services they need as they transition home.
- Offer special assistance to our nation's most vulnerable and overlooked veterans, including women veterans, those facing PTSD and homeless veterans.
- Allow us to never forget the veterans of earlier wars, whose need for assistance grows as they age.

In a nation where so many people forget about our veterans, your concern really stands out. You can also support veterans through these additional ways:

Log the miles you walk, run, or ride to help support veterans and their families.

Robert R. Johanning

1931 - 2023

Robert Roland Johanning, a pillar of the Plymouth community, passed away on September 24, 2023, at the age of 91, at the Sharon S. Richardson Community Hospice. Born on December 18, 1931, in Plymouth, he was the son of the late Roland and Edna (Langner) Johanning. On December 1, 1956, he married the love of his life, Judith Kleinfeldt, at St. John Lutheran Church in Plymouth.

Robert's journey through life was marked by dedication, service, and commitment. He was a proud alumnus of Waldo High School and furthered his education at the University of Wisconsin – Madison. His sense of duty led him to enlist in the United States Army, where he served with honor and received an honorable discharge in 1953.

In 1959, Robert and Judy took the bold step of purchasing the family farm on Sumac Rd, embarking on a journey of hard work and family traditions. In 1965, he began his career with Donahue & Associates and, the following year, became a registered Wisconsin Land Surveyor. In 1972, he joined the leadership team at Aero Metric Engineering, where he served as Vice President until his well-deserved retirement in 1981. His dedication to his profession left an indelible mark on the field of land surveying.

Beyond his professional achievements, Robert was deeply involved in his community and church. He dedicated 14 years of service to the Sheboygan County Fair Board, served on the Lakeland Insurance board for four years, and devoted two decades to the Plymouth town and zoning boards. His expertise also extended to Calumet County, where he served as County Surveyor for nine years. In 1976, he assumed the role of President of the state board of Wisconsin Land Surveyors, a testament to his leadership and expertise in the field. Robert was a lifelong member of St. John Lutheran Church, where he served as board Vice President in the 1980s, further reflecting his commitment to his faith community.

Robert is survived by his six loving children: Rhonda (David) Bohnhoff, Ryan (Rose) Johanning, Barb (Jim) Iserloth, Ross (Shelly) Johanning, Scott (Kelly) Johanning, Jean (Michael) Schwabe and son-in-law Michael Gaynor. His legacy continues through his 22 cherished grandchildren and 18 great-grandchildren.

He was preceded in death by his beloved wife, Judy Johanning, his parents, Roland and Edna Johanning, his daughter Mary Gaynor, his brothers Roland Johanning Jr. and Kenneth Johanning, his sister Doreen Young, his grandson Daniel Gaynor, and his great-granddaughter Kaylyn Klahn.

Robert's contributions to his community, church, and profession will forever be remembered, and his legacy will live on through the hearts of those he touched.
